

EV60 evCHARGER

Rugged and reliable, high powered charging.

EV60

Tough and reliable for public or home charging. Sun Country Highway's EV60 charger provides high quality and high power at a low price. The charger's tough NEMA 4 enclosure and rubber over-molded connector are designed to take the wear-and-tear of everyday use in all environments, indoors or out. Built and tested to automaker standards, the EV60 ensures a reliable charge, every time.

- Powerful – 48 amps 240 Volt, 11.5kW
- Easy to install – your electrician can install anywhere. Indoors or out!
- Quality – Technology that works for the life of your electric vehicle, and then some
- Reliable – backed by a 3-year warranty
- Convenient – 25 feet of charging cable, comes standard
- Rugged – fully sealed NEMA 4 enclosure to handle any weather conditions
