

The EV60 IQ Charger is a rugged, intelligent, and reliable Level 2 EV charger that combines safety and intelligence to provide seamless 11.5 kW EV charging capabilities for residential and commercial establishments.

It integrates flawlessly with an Enphase Energy System by sharing the Enphase App, and installation is simple with Enphase Installer Network.

The tough NEMA 4-rated weatherproof enclosure and 25-foot charging cable allows for flexible indoor or outdoor installation. Rugged design of the charging cables helps the charger resist everyday wear-and-tear. The charger also comes with an industry-leading 5-year limited warranty.

## Rugged

- Fully sealed NEMA 4 enclosure allows for indoor/outdoor installation
- Includes a wall-mounted connector holster and 25-foot cable with an impact and crush resistant J1772 connector

## Intelligent

- Maximize savings by using the combination of solar, battery power, and off-peak schedules to charge your EV
- Customized settings support different energy goals: Savings, self-consumption, and full backup
- Charge EV on clean energy from the sun by using excess solar power Energy System
- Storm Guard protects against inclement weather by keeping EV and home battery fully charged
- Monitor and fully control EV charging using the App

## Reliable

- Comprehensive safety, efficiency compliance, including ENERGY STAR® and ETL
- · Industry leading 5-year warranty
- Backed by an outstanding customer service experience with Sun Country Highway
- Extensively tested for use with majority of all J1772-compatible EVs

## EV60 IQ Charger

Input voltage/Input voltage range Input voltage frequency So/60 Hz Circuit breaker requirement Dedicated, 2-pole 60 A Input cable type Pre-wired with: (L1, L2, Gnd) 8 AWG service whip Input cable length 3' (914.4 mm) Maximum output current/Output power A8 A continuous/11.5 kW Output cable/Cable length Pre-wired with SAE J1772/25' (7.62 m)  MECHANICAL DATA Enclosure dimensions (L × W × D) 19.7" × 8.9" × 5.3" (500 mm × 226 mm × 135 mm) Weight Mall or pedestal mounted (pedestal sold separately)
